MEMORANDUM FOR: Deputy Director (Administration)

SUBJECT: Adjustment of Personnel Ceiling for the Office of the Deputy Director (Plans)

1. Reference is made to your memorandum of 31 March 1954 in which you requested the concurrence of this office in a reduction of the DD/P ceiling by 7 positions.

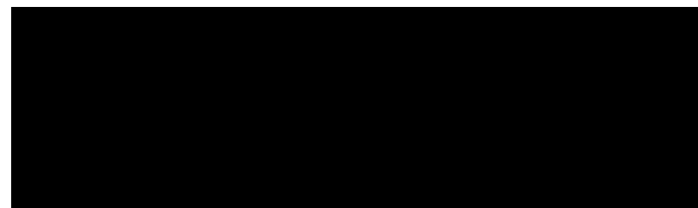

2. When [REDACTED] was set up, since it was to be of short duration, it was decided not to establish a T/O but instead to detail individuals to work on this Project from their assignments in the various Divisions and Staffs. In this way the work on the Project would be taken care of within the DD/P personnel ceiling.

3. In view of the fact that we did not include any positions in the DD/P ceiling for [REDACTED] I cannot concur in the proposed reduction of the DD/P ceiling by 7 positions as suggested in your memorandum mentioned above.
